Weekly Events Guide

First edition coming soon

Village Beat's Weekly Events Guide will be a free, quick and easy reference list for all events listed on Village Beat at the start of each week, for the coming week ahead.

From Monday to Sunday, you can quickly see what events are happening across Arts, Community, Entertainment, Learn, Music, Taste and Wellness. You can download, share, print and highlight what you're interested in, or follow the links to the events for more information about booking and directions, the venues and organisers, and add them to your preferred calendar.

Conveniently added to the top of the home page at the start of each week, posted on our socials, and emailed to our subscribers, don't let "I didn't know" be the reason you didn't go. [Subscribe to our newsletter, follow our socials and keep browsing our site](#), to see what's on, meet the people who put on the events, and keep up to date as we add info and resources to help you plan and get the most out of each event.
